Registration donation included for children without a Strawberry Point address

(suggest \$20 per child for the week) _____

By June 29 if possible - Mail to: (Include registration donation if not from Strawberry Point)
Emanuel Lutheran Church
PO Box 236
Strawberry Point, IA 52076

So how does VIRTUAL Vacation Bible School work?

The COVID-19 pandemic has challenged us to come up with a Community Vacation Bible School option that provides a safe and responsible way to enjoy this popular event. Our theme this summer is "Generation to Generation," an especially appropriate theme because generations in each household will be "doing" VBS together! There will be a supply packet to be picked up the week before that will contain all the craft supplies needed for VBS. A YouTube recording, approximately 45 minutes long, will be available to view by participants. The day's activities begin with viewing the recording. It will include our traditional VBS favorites such as skits, songs, Bible stories, activities, and a demonstration of how to do a craft or two. (You will, however, have to provide your own snacks!)

After viewing the recording, kids will be able to make the day's craft using the supplies provided in the supply kit. Crafts will be age appropriate and connect to the day's theme and Bible story. A parent, grandparent, childcare provider, or older sibling will be able to assist each child with the project.

We are looking forward to discovering how God's love and faithfulness can be shared across the generations in your home this summer. Please contact Cathy Smith at 563-380-9763 if you have any questions.
