

An important note from Mrs. Kathi Bonner, Director of Faith Formation

Attention Kindergarten – Grade Eight Parents!

Due to ongoing construction at Henry James Memorial School, there may be changes made to classroom assignments during the course of the year. When I know about the changes ahead of Sunday, I will email the parents during the week to make them aware.

In the event that I am informed on a Sunday morning that there has been a classroom change, I will have signage up in the hallways of the school alerting you of the details of the change. Watch for these signs each week.

Some important points to remember:

- We must be careful in the parking lot! Please pay attention to the safety cones and our parking lot monitor, Mr. VonHassel.
- Students may not exit through any of the front doors of the school; only the gym entrance is used for entering and exiting the school.
- Please watch the bulletin and your email for any issues that arise over the school year.

The class lists are posted for your convenience and so you can have access to your child's teacher contact information. Changes to class lists are not made after the class lists are posted and do not reflect changes made after September 1st.

I look forward to seeing you and your children on Sunday, September 15th!
