Find support, ideas and community to help your domestic church thrive!

Family life is not for the faint of heart! Helping nurture your child's Catholic faith can be a challenge!

Come together with other parents to gain competence and confidence in your faith—helping you know it and share it in the home! Find connections and build community among our parish families. Leave each meeting with practical, doable suggestions to use in your home. All families are welcome to attend! We'll begin our meetings after the Religious Education Opening Assembly—you can join us in the Church at 6pm or meet us in the Adult Center at 6:30pm.
