School Culture and Culture of Kindness -2nd Step MS \$2500 K-5 \$2400 -Education in Virtue - \$800		

## Decisions

Prayer
Everyone on the committee is doing well but busy with the start of the year.
<ul style="list-style-type: none"> <li>-Parent Meeting went well and all the feedback was that it was a welcoming experience.</li> <li>-Building is in good condition and the parking lot is underway. No exact date on completion.</li> <li>-New security camera system has been re quoted and will be installed soon.</li> <li>- Tech lab was thought to make it through this year and that is not the case. Several hard drives have broke. A plan has been put in place to replace the lab with 30 chromebooks on a cart. We will also be buying a couple of chromebooks for the middle school cart. The old access point will be moved from the middle school to the elementary school. New access points will go into the middle school. Next year the elementary school will gain new access points.</li> </ul>
-Handouts were given on Nikki, Kristin and Cathy. This was to make everyone aware of what they do for the school.
-Mr. Waech will contact past committee members about the process of updating the handbook.
-Mr. Waech will come up with the committee structure for next meeting. This will include a goal for the committee, along with action items.
<p>-Mr. Waech presented a plan to handle school culture for next year. He would like to purchase 2 school wide programs that will help students be able to handle their emotions and feelings. These programs are targeted at developing the whole child. It will give the parents, staff and students a common vocabulary to help develop a culture of kindness in the school. By creating this culture the hope is that students will then know how to help their classmates and be able to verbalize there feeling toward one another which will help build relationships with all. The 2 programs will be put on the Principals wish list at the auction. Time in the teachers schedule will be developed so that Social Emotional Learning(SEL) is taking place throughout the school.</p> <p><a href="https://educationinvirtue.com/about/">https://educationinvirtue.com/about/</a>  <a href="http://www.secondstep.org/middle-school-curriculum">http://www.secondstep.org/middle-school-curriculum</a></p>
The next meeting date was not set but will be for the month of October.
We received a brief update on the auction. They are off and running. The first meeting went very well!
