Feast of St. Joseph the Worker

Dear Saint Frances Cabrini School Families,

I pray you are doing well during these challenging times, and that you are finding ways to connect with Christ. I would like to invite you to join us in the fall for our Rooted Family Formation Program. This program is offered *free of charge* to our SFC School families. The Rooted Family Formation Program is a unique opportunity for families with children in grades K4 through 12 to come together each month for catechesis (teaching), practical ways to grow in one's faith, and quality time with family and friends. Here are a few more details:

- **Family Sessions:** Families will attend one Sunday or Wednesday at the beginning of each month. The full schedule is included with this letter. Family sessions will begin in the Multi-purpose room with a family activity. Then students in grades K4-6 will have lessons in their classrooms. Parents will remain in the Multi-purpose room to listen to a talk given by one of our priests. Grades 7-12 will remain in the Multi-purpose room for the first half of Father's talk, and then will proceed to classrooms for small group discussion. This model gives families an opportunity for faith formation together and individually. Childcare will be offered at these sessions for children under age four. (Registration is required.)
- **Monthly Challenges:** Each week, families will have activities to complete at home if they would like. Families will pick up a premade packet with activities each month.

As you know from your school registration information, it is an expectation that you participate in some type of Catholic formation at the adult level. We would be thrilled if you would join our Rooted Program!

We are aware of the uncertainty of planning and scheduling, but we will continue our program in the fall, whether it be in-person or online, if need be. We will provide faith formation no matter what—we will find a way! It is important that you register promptly so that we can begin to plan accurately as we order materials and prepare.

*We would like to request that you send your registration to the parish office by **June 15th** to let us know if you plan to join us for Rooted in the fall.* If you have any questions, please contact me. Thank you for all you do to share our Catholic faith with your children. Praying we can all be together at Mass again soon! Please know of my prayers for your families.

In Christ,

Julie Braun
