Dear <<first>>

The past two years have been a challenge for not just the world but for Saint Frances Cabrini School as well. Last year we set a very lofty goal of bridging a funding gap of \$100,000 and the response was amazing! \$63,000 came in last year which more than doubled our largest Annual Fund. Through some other cost saving measures we were able to bridge the gap! Whether you are an alumni, parishioner, parent or grandparent of a child attending our school now or in the past, your generosity over the years and especially last year has been a key factor in our success.

We went into this school year with a revitalized sense of mission. We unveiled our new school mission statement: "At Saint Frances Cabrini School, our Mission is to **Serve** as Christ served, and be **Formed** by the exceptional academic curriculum and the **Catholic** Faith." We are getting back to our roots, being a Catholic School that serves the greater West Bend community. In the attached pamphlet you can learn more of how we are attaining our mission.

We continue to provide our very own tuition assistance program to allow any family that wants a Catholic education for their child to obtain it. We also strive to keep tuition rates affordable through a very generous Saint Frances Cabrini Parish subsidy.

The current cost of educating each student at Saint Frances Cabrini School is approximately \$2,250 more than the tuition being charged. Our Annual Fund helps us to bridge that gap, funding many of the school's pressing needs. Given the unavoidable expense of keeping up with the rising labor, goods and service costs, we continue to need your support.

We realize that this year's Annual Fund donation request is coming at a time when our parish is about to launch a major capital campaign to raise money for critical school and church improvements. There are many requests for donations right now. We are sending you this letter because we know that you have a special love for the mission of Saint Frances Cabrini School and we know that you will be supportive of our needs in the manner that best fits your personal ability to give. Our Annual Fund goal this year is \$50,000. All of these monies go toward the funding of our regular operations.

Any amount that you donate toward the full funding of our Catholic school will be greatly appreciated, and will benefit our long-term stability. Contributions to the Saint Frances Cabrini School Annual Fund can be made between now and the end of the school year, in June. Please complete the attached contribution card below and return it in the envelope with your intention.

Many Blessings,

Fr. Nathan Reesman
Pastor

SAINT FRANCES CABRINI SCHOOL ANNUAL FUND

Tuition only covers a portion of the actual cost to educate each student at Saint Frances Cabrini School. The Saint Frances Cabrini School Annual Fund was established to offset the remaining expenses. This fund allows us to offer students a high-quality, faith-based education, and excellence that they deserve, without placing a greater financial burden on current families.

A gift to the Saint Frances Cabrini School Annual Fund supports tuition assistance, faculty support, academic enhancements, and other day-to-day operating expenditures.

THIS IS OUR GREATEST NEED

Your support of the Saint Frances Cabrini School Annual Fund helps us sustain our mission to help students develop in mind, body and spirit for service to others and Jesus Christ.

Your generosity is greatly appreciated.
