

SUPPORT THE FUTURE 2021-2022 ANNUAL FUND

WHAT IS THE SAINT FRANCES CABRINI ANNUAL FUND?

Tuition only covers a portion of the actual cost to educate a child at Saint Frances Cabrini School. The Annual Fund was established to offset the remaining expenses, allowing us to offer Saint Frances Cabrini families a high-quality, faith-based education, without placing a greater financial burden on them. Gifts to the Saint Frances Cabrini Annual Fund support families with financial hardships as well as the day-to-day operations of running a school.

YOUR GIFT MAKES A HUGE DIFFERENCE

- Small class sizes
- Strong academics
- Kind, supportive, loving, learning environment
- Advanced Middle School class options
- Strong extracurriculars and athletics
- Financial aid and payment plan options
- Christian faith and Catholic values

DID YOU KNOW?

- There are 203 students for the 2021-2022 school year
- Class size ratio is 15:1
- Weekly mass attendance
- There are 8 extracurriculars activities offered to students
- Full cost per pupil is \$5,250
- Tuition per student is \$3,325
- Students attend in Grades K3-Grade 8
- Our Annual Fund goal is to raise over \$50,000

SERVICE FORMATION CATHOLIC

At Saint Frances Cabrini School, we live out our faith by following three key principles: Service, Formation, and Catholic. These words center us as Disciples of Christ and ground us as children of God.

SERVICE: At Saint Frances Cabrini School, we believe that service should be an integral part of the life of every Catholic. With that in mind, we emphasize service in each grade level by giving them a particular focus. Examples include: Birthday Bags, Haiti Mission, Stocking Stuffers, Food Pantry, etc. 8th grade students have service journals where they record their individual acts of weekly service. We have future plans to have each grade level buddy up with a local charitable organization for service. In this way we strive to raise young Catholics who look at service as a way of living.

FORMATION: At Saint Frances Cabrini School, we have an excellent staff that teaches students the importance of academics and the importance of their faith. Our students go through a rigorous curriculum that gives them the skills needed to succeed in high school and college. Our students receive a well-rounded education that includes competitive sports and a wide variety of extra-curriculars.

CATHOLIC: At Saint Frances Cabrini School, we pray and live out our faith. We know it is not only faith, but action that achieves our eternity. Our students practice living our faith by participating in the Sacraments, volunteering in the community, and practicing virtue in the classroom. We also pray at weekly assemblies, liturgies, morning and lunch prayer, and retreats. We are blessed to have our two priests come visit classes often as they help form our students in the Catholic Faith. We love our faith and serve the Lord.
