

Scrip Relaunch 2.0 FAQ

2021-2022 School Year

Hello St.Mary Community!

Since September of last year, you have the option to order scrip using the online app or website. You may order digital cards for immediate use (excluding some local stores) once an online form of payment is set up. You may also place orders for physical gift cards online and either pay online or with cash or check when cards are picked up at school.

How do I get the App to order online?

Look for an invitation from RaiseRight in the email you provide to the school. If you do not receive one go to

<https://www.shopwithscrip.com/> and use our School Enrollment Code is FD4FAL565624

Please contact Lou Turner for assistance.

Can I still come in and fill out an order form and place an order in person?

- Yes, eventually; however, due to covid-19 we are asking that: 1. You print the order form from our website and email it to lturner@stmarysspokane.org.

How do I pay for digital gift cards or physical gift cards if I order online?

- Link your bank account much like Paypal or Venmo. (Sharon and I did this and it was easy and safe).
- Link a credit card.
- (See Below For Rates)

If I order physical gift cards online or send in my order, how do I pay and receive my gift cards?

- Call the school and we will meet you at the door until Covid-19 subsides.

Will the school keep track of how much I spend?

Yes, we encourage all families to spend \$500 on cards you know you will use. We don't want it to be a burden, but rather a win-win for you and the school.

How much are the fees if I use the App, or order and pay online for gift cards?

- ACH (link your checking or saving account) \$0.15 per order. Buy \$500, pay \$500.15
- Credit or Debit....2.6% per order.
- Pay with Cash or check at the school....Free

***Physical Gift Cards should be in stock the next day, but may take 7-10 days to arrive ***Pre orders will be taken for physical cards during high volume times (November/December and holidays).
