

2021-2022 Sacred Hearts Staff Wish List

Greetings Sacred Hearts Families,

Please see a list below for classroom wish lists. Thank you in advance for any items you are able to help with. The teachers and staff are very appreciative of your support.

Please do not ever feel obligated to purchase items - maybe you know where the school can get a good deal. This information is equally valuable and we would love to hear from you! Also, many requested items can be gently used. Your children may have simply outgrown them and the teachers can put those toys/books to good use.

If you have questions regarding a specific item, please contact the teacher directly. Thank you for your support!
