

Important Bussing Reminders Sacred Hearts School

- Masks must be worn while riding the bus.
- Eating or drinking is not allowed on the bus.
- All families who have registered for bus transportation should be receiving information in the mail regarding times and stop locations.
- Arrive at least 5 minutes early to your stop in the morning.
- Students will not have to transfer from one bus to another this year-buses will have only Sacred Hearts and Peace Lutheran students.
- Students who are eligible for bus transportation are encouraged to utilize this service-it lessens the amount of students in the carpool and increases efficiency.
- Bus tags will be handed out on visiting day or the first day of school and should be attached to backpacks. You must show your bus tag in order to ride the bus. If you lose or damage your bus tag you can get a replacement from the school office.
- Drop-off times on Thursdays will vary.
- Please be patient the first couple weeks of school as drivers learn their routes, reinforce safety procedures, and learn the names of the students riding the bus.
- If you have any questions or concerns, including a bus arriving early or late, pickup/drop-off times, a bus driver, or an item left on the bus, contact Kobussen at 825-8700, option 1.
- Other questions should be directed to Paul Opper.
