

JOIN THE CLUB!

Dane County 4-H

Check out the benefits of joining 4H

Fun and Friends

Youth in grades K-13 join a 4-H club and meet regularly with their peers to plan events, community service activities, and project meetings. Clubs vary in size, interests and formality.

Hobbies and Interests

Members choose from a wide range of individual projects, based on their interests. Through these projects, members set goals, learn the skills needed to achieve goals, and exhibit/demonstrate their skills at fairs, contests, and community events.

Adult/Youth Partnerships

Adult volunteers share their knowledge and skills with youth and work together to create true partnerships in which the contribution of each is recognized and valued.

Leadership Opportunities

4-H club and project meetings give youth opportunities to share their project work, plan community service activities, and practice running meetings.

Educational Experiences

Members have the opportunity to travel across the US and internationally with 4-H, building life skills and making new friends.

Camp

4-H offers overnight camp opportunities where youth connect with nature, enhance self-confidence, unplug, and build friendships.

Awards and Scholarships

4-H provides youth members opportunities for record keeping with recognition and rewards for their work in 4-H.

There's a club for you!
