

**Fall Parent Teacher Conferences**  
**Grades K-8**  
**October 6<sup>th</sup>-13<sup>th</sup>**

Due to continued COVID concerns, we are going to once again modify our fall parent teacher conferences for grades K-8.

Conferences will be by request only. Parents or teachers may request a conference. If you wish to set up a conference with a teacher(s), please contact that teacher directly via email. If your child's teacher(s) wish to have a conference with you, they too will contact you directly.

Middle School teachers should be contacted individually based on the subject area you wish to discuss.

Conferences will be held between October 6<sup>th</sup> and 13<sup>th</sup>. They may be in person (if both teacher and parent feel comfortable) and virtually.

**3K will have conferences later in the year.**

**4K will have their own process and will communicate that directly to families.**

While this week is set aside for conferences, you may always request a conference with a teacher at any point.

For your information, first quarter ends on Wednesday, October 27<sup>th</sup>.
