

Art Club!

Do you like art? Want to improve your art-making skills? Join Art Club!

What is it?

Art club is designed for students in grades 5-8 looking for additional art instruction outside of the normal school schedule. Projects will be mostly centered around drawing and may extend to other media such as painting, marker, etc. No experience required - just a willingness to learn!

When/where is it?

Art club will meet Tuesdays after school in the gym until 3:30. First meeting will be 10/15.

What do I need to bring?

Please bring...

1. sketchbook- unlined paper, around 8x10-9x12, spiral or hardbound.
Michael's sells hardbound sketchbooks for around \$7:)
2. pencils- mechanical or wood. whichever you are most comfortable with
3. white pencil eraser
4. 12 inch ruler

Who is running it?

This would be a good time to introduce myself. Hello! My name is Allison Abney. I am a St. Therese alumni, class of 2013. I am currently studying Fine Art and Industrial Design at County College of Morris and plan to pursue a bachelors in design at a four year school. Art has always been my "thing". While I was a student at St Therese, art was my favorite class, but one day a week just didn't cut it. I wanted more time to practice and hone my drawing skills in subjects that interested me, hence why I'm starting this club!

What does it cost?

Art club fee is \$10 per meeting. Please remit to Office with "Art Club", your student's name/grade, and date(s) they will attend, marked on an envelope.

Thank you!
