Dear Parents of first through eighth graders:

In the past, some students have brought cell phones to school. Several of you have spoken with me explaining personal situations requiring students' use of a cell phone *before* and *after* school hours. For these families we have decided to make available special arrangements to store the cell phone during the school day. Because of these arrangements, we would like you to complete the information listed below. In this way, we feel we can assist you with your personal family needs while continuing to follow our own school rules regarding restriction of electronic devices on school premises.

Thank you for your help as we continue to keep the children of St. Therese School safe.

_____ I give my permission for my child to carry a cell phone to school for the following reason:

Agreement:

- The cell phone will *always be turned off* (from home to school) and brought to the school office when the child arrives at school.
- The cell phone will be returned to the child at the end of the school day, or at the end of any after-school event, tutoring, practice or after care.
- The cell phone *will never* be stored on their person, in the classroom or in a backpack/locker.
- The school is not held responsible for loss or damage of the cell phone.
