"The Unity and Connectedness of All Believers"

- ✠ When we receive the Eucharist, we receive Jesus under the appearance of bread and wine. We become united with Jesus, and He is with us.
- ✠ Because we are united with Jesus, we see Jesus in each other.
- ✠ Each of us is a message of love from God to everyone else.
- ✠ When we are with each other in love we are the Body of Christ

Our loves can organically be filled with experiences of unity and connectedness. Do we recognize them? How do we convey this way Eucharist living and loving to our children, both now and as their lives progress?
