

Transfiguration Parish

MISSION STATEMENT

We are a Catholic community united by love, illuminated by the Transfiguration of our Lord Jesus Christ. We gather as a People of God seeking unity through the Holy Spirit to Worship through the Sacred Liturgy, Prayer and Sacraments, and to proclaim the Christian message which promotes Justice, Reconciliation and Service through Evangelization, Faith Formation and Discipleship.

VISION STATEMENT

Transfiguration Parish is committed to continual growth in the Catholic Faith through a lifelong union with Jesus Christ, and in service to others through the ministry of the Church. We spread the Good News of His love and promote His Word through evangelization, education, reflection, and daily witness. As faithful stewards we pledge to direct and develop the spiritual, human, financial, and material resources of the Church. We respond to His love with gratitude and prayer, with compassionate service, generous sharing, reconciliation and equality for all.

From the Desk of Deacon Chris...

**SILENCE AND COMMUNITY –
A SPIRITUAL UNITY**

We are called to live in community, both as members of the Church as a community of faith, and as members of our society, which is mostly a secular world. We live as community in our everyday lives with all of its busyness, noise, distractions, and interactions. Sometimes we get so caught up in our secular community life that we tend to neglect our membership in a community of faith.

Every time we gather for Mass, we gather as a community of faith. We join together in thanksgiving to God as we hear the Word of God in scripture and celebrate the Liturgy of the Eucharist, as we prepare to receive God's greatest gift to us, the gift of the Body and Blood of the Risen Jesus Christ.

Another very important aspect of the Mass, and our spiritual life, is silence. During the Mass, we pause after the scripture readings to reflect on them in silence. At the end of the homily, we pause for a moment to reflect on the homilist's words. After we receive Holy Communion, we pause in a prayer of thanksgiving to Jesus whose Spirit lives within us.

Silence is also an important part of our individual prayer lives. Many people will practice contemplative prayer as a silent prayerful way to make a loving connection with God, and deepen their relationship with God. Some people prefer a form of Ignatian prayer where they put themselves in a Bible passage, often a Gospel passage, and try to see themselves in the passage right then and there.

Really, if you stop and think about it, we have the best of both worlds. When we all participate in the Celebration of the Eucharist by praying together, and singing together, and offering thanksgiving to God together, the Mass is truly a spiritual blessing for all of us. We offer ourselves to God, and join as a community of faith to be wrapped together in the loving embrace of the Holy Trinity; God the Father, Son, and Holy Spirit.

Likewise, time spent in silence with Jesus is equally spiritually fulfilling. Those times when we know we are alone with Jesus in silence are so very special and life giving. It is during those times spent in silence that we can say we know the Prince of Peace, because the peace of Jesus remains with us.

As I have aged, I have come to appreciate more fully the gifts of community and silence in my own life. The more I experience the joy of community and silence, the more I am convinced that my own spiritual life is enhanced by both community and silence. I hope everyone appreciates the grace of God that is freely given us as a community of faith, and the silence of our minds and hearts. God bless.
