From the Headmaster

Please keep Jonathan Roller and his family in your prayers. Thanks to all who have contributed to the fund for his family. We sent flowers on behalf of the faculty and families of Lumen Christi.

Father McCarthy spoke to students in grades 5-8 during the faculty meeting on Monday, and we expect him to have a further discussion with them in the days ahead.

Welcome Anabeth Bowling!

Anabeth Bowling has joined our 6th grade class. We are happy to welcome the Bowling family to Lumen Christi!

Lumen Christi Students to Serve at Bishops' Mass

Students from Lumen Christi will be the servers for the Mass to be celebrated by Archbishop Thompson and Bishop Doherty at St. John the Evangelist Church before the Indiana March for Life next Wednesday. Our students in grades 5-8 will attend the Mass and march.

Our high school students will leave for Washington, DC, after Mass on Thursday to participate in the national March for Life on Friday. Diane Fricker and I will be traveling with the students.

School Communications Going to Junk Folder?

We've heard from some parents that school emails from LCCS Communications are going to their junk or spam folders. So it might be worth checking your junk/spam folders and moving any LCCS Communications you find there to your Inbox and/or adding LCCS Communications (lccs.communications@lumenchristischool.org) to your email contacts.

Next Dads Club Meeting Jan. 30

The next meeting of the Lumen Christi Dads Club will be on Thursday, Jan. 30, at 7 pm in the Italian Heritage Room (on the main floor of the school building). Indiana Pacers Assistant Coach Dan Burke will give a short talk about his long career in the NBA, leadership, coaching, etc. RSVP to Andrew Wells at andrwwells@gmail.com or call/text him at 317-503-0672

Geography Bee

Congratulations to Cooper Olecki, the repeat winner in our school Geography Bee on Wednesday, and to Victor Gallagher and Clarissa Ocampo, who placed 2nd and 3rd. And thanks to Miss Carr, who directed the bee.

Letters of Intent Reminder

Thanks to all who have returned their Letter of Intent to Enroll for the 2020-21 school. The form should be returned by Feb. 7. Current families that submit the form and pay the registration fee by this date receive a reduction in tuition of \$50 per student and are guaranteed seats in any classes that fill up. If you have any questions or concerns about enrolling for the coming school year, please contact me.

Cold-Weather Gear

During the winter, cold, wet and muddy conditions keep us indoors for recess most days. But we like to get students outside whenever we get a chance, so please make sure your children are dressed to go outside for recess – coats, hats, gloves, long pants or leggings under skirts. This also goes for students who are attending the March for Life next Wednesday!

Mass and Confessions

As you may know, Father McCarthy and Father Newton have decided that the priest will do all the readings at 7:30 Mass going forward. The students who have served as lectors will lead the St. Michael Litany on Wednesdays and other prayers as needed.

Students in grades 3-12 will be scheduled for Confessions one Thursday each month after Mass. We want to instill the practice of confessing at least once a month. The regular schedule of Thursday confessions each month is: 1st: high school, 2nd: grades 7-8, 3rd: grades 5-6, 4th: grades 3-4.
