From the Headmaster

Today I am with the high school students at the March for Life in Washington. On Wednesday, our students in grades 5-8 participated in the Indiana March for Life, and five of our students were the

servers for the Mass at St. John the Evangelist Church with Archbishop Thompson and Bishop Doherty.

Next week is Catholic Schools Week. Please see the schedule of activities for the week. We have a lot going on, but we try to minimize disruptions to class.

2020-21 Enrollment Update

A little more than half of current families so far have returned the Letter of Intent to Enroll for the 2020-21 school year. The form should be returned by Feb. 7.

We have also received several applications for next year from new families and have two prospective students shadowing this week.

Lumen Christi will host an **Open House for prospective families this Sunday, Jan. 26, from 10:30-Noon**. Please encourage friends and family who may be interested in Lumen Christi to stop by and see the school. And let them know that they can arrange a tour or shadow day at any time.

CYO Camp Ranch Framasa Campership

Again this year, CYO is offering Lumen Christi one campership to Camp Rancho Framasa to award to a student age 7-19 for a week of camp this summer. To be eligible, students must submit a brief essay about why they want to go to CYO camp. **The essay is due Friday, Feb. 7**. I will award the campership to the student who submits the best essay, considering his/her grade level.

A Note about Pickup

If your child is going to be picked up by another parent at the end of the school day, please let Mrs. Dowell or Mrs. Mascari know with a phone call or text. We need to hear this from the parent of the child being picked up. Even though Lumen Christi is a close-knit community, we are responsible for making sure we're releasing a student to an authorized adult. Thanks for your cooperation.

From Our Development Director:

Bourbon Pull Collection Begins Next Week

Please see the blue flyer with information about donating bourbon for our Bourbon Pull at the Light in the City Annual Dinner. The Bourbon Pull sold out in about 15 minutes last year, so we'd really like to collect 40 bottles this year.

Auction Collection Also Begins Next Week

We are also ready for people to donate experiences, gift cards, and items for our Light in the City auction. If you would like to donate, please go to [LumenChristiSchool.org/SupportLumenChristi/Light in the City](http://LumenChristiSchool.org/SupportLumenChristi/LightintheCity) to fill out a simple donation form and then send your item into the office.
