

September 11, 2020
From the Headmaster

Thanks to all parents attending 7:30 Mass for your cooperation with seating. I think things are working smoothly, and students are properly spaced. We also appreciate everyone's cooperation

with masks at church. Parents are asked to keep distancing in mind when dropping off and picking up students at school and to use masks when appropriate. All adults entering the building should wear masks.

Adopt-a-Seminarian: Sam Rosko

Through the "Adopt-a-Seminarian" program, the Archdiocesan Vocations Office and the Office of Catholic Schools are asking each Catholic school to pray for a seminarian of the Archdiocese. We're happy to announce that our seminarian is Sam Rosko, Lumen Christi High School Class of 2016. Sam is currently in his first year of Theology at St. Meinrad Seminary. We'll have a number of activities throughout the school year to support Sam.

Fall Chocolate Fundraising Drive

Please support our annual fall fundraiser. A flyer is in today's folder, and sales start Monday. We're asking each family to sell one box of \$1 chocolate bars for \$60. Please return your permission slip in with your Friday folder. We'll distribute boxes at the end of the school day on Monday.

School Photos Sept. 21

Our new school photographer, Rachael Meier of Simple Heart Photography, will be at Lumen Christi on Monday, Sept. 21, to take pictures. Students should be in uniform for their school photos. Pre-K students will be photographed on Tuesday, Sept. 22, and other students who are absent on Monday can get their pictures taken that day. There will be a Retake Day in October. Information and order forms are in today's Friday folder.

A Note from Jill Olecki

"Dear beloved Lumen Christi Family,

Here I was thinking 2020 was finally the year I could get going on my PFA 'to do' list and it turns out God intends to make this cross bearing last a little bit longer. First let me convey our deepest gratitude for your prayers and immense support for our family. We are so humbled it is impossible to communicate.

I do have one more request. I am in deep need of help with the PFA. The unpredictable nature of this stupid cancer makes it difficult to take full reins of the PFA. I would really appreciate someone that can man the charge and I would be able to help. For this year, I envision that including teacher appreciation lunches, Catholic Schools Week, Spirit wear, and a few other odds & ends.

That said, if someone wants to totally take over and run away with it I am all for it. Many things are already set up and just need updating for this year. If you are at all interested in helping man the charge, please email me and we'll talk. May God bless you all! You know how much I love you! Jill"
