

September 18, 2020
From the Headmaster

Thanks to our 8th graders who clean the main building on a regular basis. The school has never looked better!

We will begin singing next week at 7:30 Mass. With restrictions on

choirs, we have not had regular choir classes in the Music Room, but Miss Welch has begun bringing students to the church where she can spread them far apart to practice songs for the liturgy. Similarly, we will not have student choirs in the choir loft, but students will sing in their regular seats in the church. This is in line with the congregational singing that has been practiced at Sunday Masses at Holy Rosary. We look forward to singing again at Mass.

Uniform Outer Wear and Spirit Wear

With the hint of colder weather ahead, I want to remind parents that only the following outer wear is allowed in the school building and in church, unless a specific exception is made on cold days:

- Uniform Lumen Christi outerwear or sweatshirt from Schoolbelles
- (For elementary school girls) navy blue cardigan sweater from Schoolbelles
- A plain navy blue sweatshirt

We are offering two new outerwear options through Schoolbelles – a jacket and a second fleece pullover – with either a Lumen Christi Catholic School Logo or Lumen Christi High School lettering. For information go to Schoolbelles.com. Our school code is S2162. You'll find fleece and sweatshirts in "School Specialty Items" and the new jacket in "Weather Wear." A plain navy blue sweatshirt (from any source) is always an inexpensive alternative. Please remember to put your child's name in uniform clothing – we find a lot of lost uniform items, and they all look the same!

We are also offering new Lumen Christi spirit wear T-shirts. The shirts are the same logo-design as in recent years, in red and gray. Order forms are in today's Friday folders. The deadline for ordering is Monday, Sept. 28. T-shirts ordered by Sept. 28 will be delivered in time to wear on the next Spirit Wear Day, Oct. 9. (Older spirit wear is also OK.)

Candy Sale Is Going Strong

Thanks to all the families that have picked up boxes of World's Finest Chocolate to sell for Lumen Christi. Sales are going strong, and several families are on their second or third boxes! **If your family has not yet done so, please let us know ASAP whether you intend to sell a box or make a donation instead,** because we need to know whether to order more boxes.

All families that turn in \$60 by Monday will be entered in the drawing for a 5-lb Milk Chocolate bar (the permission slip says 1-lb, but it's FIVE). The sale ends September 30.

Update on Milk for Sale

So far, 26 of 42 families have responded to the Survey Monkey on offering milk for sale for school lunches. Of these, 17 families with a total of 35 students have expressed interest in buying milk, so we will continue to work toward offering milk for sale. We are coordinating with Holy Rosary, which is planning to buy milk for its Sunday coffee and donuts. If you haven't responded yet, please let us know whether you are interested, so we can get a full picture of how much milk we'll need.

Hot Dog Day Wed. Sept. 23

Our first Hot Dog Day is this coming Wednesday, Sept. 23. If you have not yet turned in your Hot Dog Day order form and you want hot dogs next week, please enclose a form (available on our school web site) in your Friday folder when you return it on Monday.

From the Development Director

Save the Date for Light in the City, 2021!

Please save **Sunday, April 25, 2021**, from 5pm - 9pm to celebrate independent, classical, Catholic education with the broader Lumen Christi family at our **Light in the City** gala. We will be at **The Willows in Broad Ripple** and the auction will be in their newly renovated and enclosed terrace. By having the event on Sunday evening, we avoid the traffic challenges of a Friday event. There will be lots of fun ways to help starting next January, so please stay tuned. We'd love for every current family to attend this amazing evening!
