

**September 25, 2020**  
**From the Headmaster**

We are happy to announce that Mrs. Dawn Sahm will be our new 3rd grade teacher, beginning Oct. 12. Our older students will remember Mrs. Sahm, who taught for a number of years at Lumen

Christi when her sons attended here. The last time Mrs. Sahm taught 3rd grade at Lumen Christi, they were in what's now the 8th grade classroom. It's great to have Mrs. Sahm back in our school! And thanks to Mr. Grande for stepping in to teach 3rd grade and for doing such a great job with our students.

### **Feast of St. Michael, Sept. 29**

Tuesday is the feast of St. Michael the Archangel. As most of you know, Lumen Christi students pray to St. Michael for the safety and protection of police officers of Indianapolis. The older students normally pray the Litany of St. Michael after Mass on Wednesdays. For the feast day next Tuesday, the whole school will stay in church after Mass to pray the litany and to present a poster to an IMPD officer. The poster is being created by Mrs. Roller, with messages of prayer and support from our students. Marion County Superior Court Judge David Certo, a member of our school's Advisory Council, will also attend. We'll have a special treat for students in the afternoon to celebrate the feast day.

### **Candy Sale Ends Sept. 30**

With the deadline coming up next Wednesday, Sept. 30, our World's Finest Chocolate sale is already a big success. Several families have sold multiple boxes. The top seller will receive \$10 and a 1-lb milk chocolate bar, and second place will receive \$5 and a 1-lb bar. And every student whose family sells a box will have an out-of-uniform day, to be announced. Congratulations to the Dowells, who won the 5-lb bar in the raffle for families that turned in \$60 by this past Monday.

If you haven't already done so, please return money for the sale to Mrs. Mascari by Wednesday. Thanks again to all for your support!

### **Spirit Wear Order Deadline MONDAY**

The deadline for ordering new Lumen Christi spirit wear is this coming Monday, Sept. 28. We need to place our order with the vendor by Monday afternoon to get the shirts in time for our next Spirit Wear Day, Oct. 9. This year we're offering Red shirts with a Gray Lumen Christi logo, and Gray shirts with a Red logo. I made a mistake on the order form and listed Blue as an option. We've spoken to most families that ordered Blue to change their order. I've also contacted the vendor to confirm that he can fill a few orders for Blue. So if you ordered Blue, and we have not contacted you, that's what you'll get. (We sold Blue shirts last time, so they'll fit right in.) If you have any questions, please feel free to email me. I apologize for the confusion.

### **From the Development Director:**

#### **Fall Family Fun Fest**

Our Fall Family Fun Fest will be on Saturday, October 24 from 4:00pm – 8:00pm at the home of Mollie and Adam Smith. We are so grateful to Mollie and Adam for opening their home for this entertaining and delicious fundraiser for the school. Additional details will be coming, but a chili cookoff is always part of the evening, so please start planning your recipes. Mollie could really use a few people to help organize the event, so if you can help, please contact her at [SmithMollie@mac.com](mailto:SmithMollie@mac.com) or 317-407-4249.
