**From the Headmaster**

Welcome to Tryston Baker, who joins our 8th grade class Monday.

The scaffolding in the front of the church came down this week, and we had our first unobstructed view of the new mural above the altar.

It has been fascinating to watch the mural take shape these past weeks, and we give God thanks for the skill, care, and patience of Amy Rheinhardt Jackson in creating this beautiful painting.

Our pre-K teacher, Mrs. Marie Settles, has shared the good news that she is expecting a baby in October. With the new baby coming, Mrs. Settles will have to step away from teaching pre-K, so we are seeking a new teacher for the fall. If you know any good candidates, please let us know or encourage them to contact us.

**Progress Reports** for the first half of second semester are in today's Friday folder. Progress reports are in sealed envelopes. High school reports are separate from elementary school. Please sign and return with the folder on Monday. Thank you!

**Annual Dinner Invitations and Raffle Tickets**

Invitations to the 2021 Light in the City Dinner on Sunday, April 25, are in today's Friday folder. You can buy tickets and register for the event online, or you can send back the response card provided.

Also in the Friday folder is an envelope with 15 annual dinner raffle tickets and a flyer explaining what to do. We'd like to have every family participate in selling raffle tickets. Sell what you can and return money, completed tickets, and any unsold tickets by April 15. If you want more tickets to sell, we have them!

We are still in need of sponsorships and items for the silent auction, as well as donations for the Bourbon Pull and the Dessert Dash. For those (like me) who don't know bourbon, a flyer in today's folder offers some suggestions. Please go to the [Light in the City](#) page on our school website for more information and links.

**Lenten Food Drive Continues - SHAMPOO**

Thanks to all who have already contributed to our Lenten Food Drive for St. Anthony & Holy Trinity Food Pantry. Here is this week's message from Connie Merkel:

As the pantry was closing on a Friday a lady came by and brought about 12 loaves of bread and some groceries. **She said we had helped her in the past and she wants to pay us back.** Many of our pantry guests remark that someday they will bring us food when they can or that they wish they could do something to repay our kindness. We often ask them to pray for the pantry. We explain that all the food at the pantry is donated and that through their prayers we hope to keep the pantry stocked with items they need.

We ask you to pray for the pantry as well. Of course, we ask that you share some of what you have with the pantry **SHAMPOO AND DEODORANT** are some of the items that are in short supply. **THANK YOU for your prayers and your generosity.**
