

**April 30, 2021**

**From the Headmaster**

Congratulations to Brandi and Chris Verhiley on the birth of their son Thomas – and to big brother Patrick! A Meal Train has been set up for the Verhileys. If you'd like to participate, please see the link in

today's Weekly Update.

The Light in the City Annual Dinner was a great success, far surpassing our fundraising goal. And a good time was had by all. I'd like to give special thanks to individuals who took on significant responsibilities, many of whom have been working for several months on this big project: Jen Autry, Noelle Alanis, Melissa Brush, Stacey Dowell, Nicole Haywood, Julie Motyka, Jill Olecki, Mollie Smith, Colleen Torres, Andrew and Ashley Wells, and Tina Wishik. And thanks to all the volunteers who stepped up when we needed it.

Please keep our high school students in your prayers next week as they travel to Wisconsin on their annual pilgrimage.

**Teacher Appreciation Week**

Next week, May 3-7, is Teacher Appreciation Week. Thanks to the parents who have organized brunch and lunch for the teachers, and to all who have volunteered to supervise recess each day – a welcome break for the teachers! – and help out in other ways. If you'd like to pitch in, please see the SignUpGenius link in the Weekly Update.

**May Crowning Next Friday, May 7**

The annual May Crowning will be held after 7:30 Mass next Friday, May 7. Sara Rosko will crown the statue of Mary. We also need two parent volunteers during the ceremony. Please let me know if you'd like to help.

Students are encouraged to bring flowers from home for May Crowning. You can drop off flowers outside the main office that morning before Mass. We'll have containers of water to keep the flowers fresh.

*I hope to see you tonight at Cabaret Night – several short, fun plays presented by students in grades 5-12. The show begins at 7:00 pm at K of C McGowan Hall, 1305 N. Delaware St. Admission is free.*
