

St. Mary's Catholic School Heroes Parent Association

Parent Service Program - Helping keep SMS #CatholicSchoolStrong

We would like to thank everyone for their support with the revamped parent volunteer duties (formally room mothers group). There will be more volunteer opportunities that arise throughout the year that are not included in the Parent Service Program (field trips, grade specific events, etc.). It takes a village to create an amazing school culture!

Below is a list of volunteer opportunities that are available for you to sign up for. Please check the ones that you are interested in so that we may contact you when help is needed.

Let us know if you have any questions or concerns. If you would like to participate in the Parent Service Program, but you cannot find anything that works with your schedule on, please contact Ms. Anna Lindsey or Mrs. Nena Cecere in the main office.

Thank you for all you do for our students, school and parish!
