

## 4th Grade Summer Reading List

2020-2021 School Year

Dear Parents,

With your child's success in mind, we are asking your child to read over the summer. This will help your child to continue developing an appreciation and enjoyment for reading.

Throughout the summer months we are asking for your support and helping your child to set up a time to read, this will help them get off to a successful start to an upcoming year. The required reading for this summer is to read at least two -three chapter books of at least 200 pages of their choice. We also encourage them to read 10 or more story books. Reading every day is key. Reading with someone or listening to audible books is encouraged.

**Assignment:** Choose one chapter book you read this summer to complete a Insta Book Report. Students must write in complete sentences, use correct grammar, and punctuation. Students will also illustrate the first page of their Insta Book Report to create a cover, be creative on the illustration and don't forget to write the title and author of the story. Before filling out the actual book report form, we strongly suggest writing a rough draft. Remember, neatness counts! Click on the link below to complete the assignment and reading log.

The reading assignment will also help your child in completing Accelerated Reader tests and book reports when we begin the new school year.

Please have your child bring his/her work to school in the first week of class in August.

Happy reading and have a great summer,

4<sup>th</sup> Grade Language Arts Teacher
