

St. Joseph Council No. 4480
Knights Of Columbus

91 South Street
Kingston, MA 02364

Dear High School Senior:

St. Joseph's Council 4480 Knights of Columbus Kingston awards committee is pleased to announce its acceptance of applications for its awards program. Awards are made to graduating high school students to help meet post high school educational expenses.

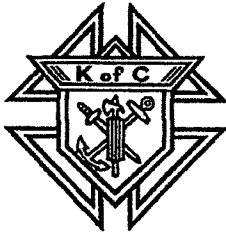

Award eligibility includes children and grandchildren of 4480 Council members in good standing. Also eligible are graduates who are considered practicing Catholics of either St. Mary Parish in North Plymouth or St. Joseph's Parish of Kingston/Plympton.

This year's awards place emphasis on an applicant's financial need. Academic achievement and involvement in both school and community activities still matter but will not be the primary criteria. This is in recognition of applicants affected by difficult economic circumstances faced due to the current pandemic.

A current high school transcript should be included if available at your high school.

Sincerely,

Jim Lundgren
Knights of Columbus Awards Committee

KINGSTON COUNCIL #4480
AWARDS APPLICATION**

1. List any in school and/or community activities in which you have been involved that you consider relevant.
2. Identify those schools or post secondary programs you have applied to, e.g. technical schools, trade apprenticeships, two or four year colleges, nursing or allied health programs, seminary or religious order.
3. Indicate those programs from whom you have received acceptance or wait list notice.
Also indicate the annual expense you expect in order to attend the program of your choice.
4. Please describe both the needs you have in order to attend the schooling of your choice and your reason(s) for your interest in the school or program. Be specific. Be clear.

Every point of information in your awards application will be kept in full and strict confidence.

Please submit your application by May 10th to:
