## Special COVID-time project for the 2020-2021 School Year

*Special E-Bulletin for  
St. John Vianney Parish*

Dear Parishioners and friends of St. John Vianney Parish,

With this special e-bulletin we wish to bring timely awareness of the needs of the Haitian Partnership, so generously supported by our parish, encouraging special one-time direct donations.

The Lenten Soup Suppers, to collect free-will donations for our sister parish of St. Jean Apotre in Boc Banic, Haiti, were cancelled. Further because of COVID 19, the limited supplies, that we collected in our parish for our sister parish's school, could not be shipped to Haiti for this school year.

Fr. Voclair, pastor of St.

Jeann Apotre has requested any help we can give for supplies for their 673 students. In

these immediate circumstances, I give my personal encouragement for parishioners to consider special monetary donations to the Haitian Partnership at the beginning of this school year. God bless you. In Christ,

Fr. Tim Naples, Pastor

**The Haitian Partnership is a 501c3 organization and all donations are tax deductible.**

(Please notify the Haitian Partnership if you desire a receipt for donations less than \$250).
