Saint Michael School Tuition Assistance Fund Update

Wow, because of your generosity we are well on our way towards helping our families in need. We now have only one high school student's tuition to cover. Thank you to everyone who has contributed towards our tuition assistance fund. Would you consider sponsoring a student so they may continue their education at Saint Michael School? One full year of Catholic Education at the high school level is \$7,650. One month of tuition would be \$765.00. We are hoping to identify a handful of people who are willing to contribute to a fund for these families. **Any amount you are able to donate is greatly appreciated.**

If you can help, please contact the school office at (802)254-6320. Your gift will truly make a difference in the life of two of our beloved students.
