**This Sunday is Pentecost:** Did you know that the feast of Pentecost is often referred to as the birthday of the Church? It is called that because Pentecost is when the apostles went out among the people and began spreading Jesus's Message, thus establishing the beginning of the Church. Pentecost (Greek for 50<sup>th</sup> day) is celebrated by Christians 50 days after Easter and marks the day that the Holy Spirit descended upon the apostles while they were cowering and hiding behind locked doors following Jesus's resurrection. After receiving the power and gifts of the Holy Spirit, the apostles immediately went out and preached Jesus's message to everyone— even those who spoke other languages. Pentecost is probably one of the most important days on the Church calendar, but it often gets overlooked. The color of the vestments worn by the priest on Pentecost is red, to symbolize the love of the Holy Spirit, or the tongues of fire that appeared over the heads of the apostles on Pentecost.
