**Parish Website:** Our new parish website was recently launched. The diocese has required all of the parishes to redesign their websites using the assistance of e-Catholic. They should be easier to access and use. **We are looking for a parishioner to take on the responsibility of “parish webmaster.”** This person would be responsible for maintaining, and implementing occasional changes to the site. Initial training of approximately 30 minutes would be required. Please speak to Father Bill or call the parish office if you are interested or want more information.

**Priests’ Retreat:** Father Bill and other priests of our diocese will be making a retreat this coming week. This will be held at the Lake Morey Inn, where we’ve had our annual Presbyteral Assembly for the past number of years. Bishop Mark O’Connell from Boston will be the retreat master. This will be our second time at Lake Morey making a retreat in the winter.

that some people are especially susceptible to the viruses that can be spread by contact and that some immune systems are very sensitive. Please understand that some people may choose not to shake hands during the Sign of Peace, but might simply greet you with a smile. Also, please use common sense and good judgment concerning Mass attendance if you are ill. If you do decide to come to church for Mass, please remember that frequent and thorough hand-washing, refraining from physical contact during the Sign of Peace, and refraining from receiving communion from the Chalice can help prevent the spread of germs.

### Word of Life

An unexpected pregnancy can be a difficult and frightening time, and it's important that your friend knows you are thinking of her and supporting her. I don't forget the most important thing is to pray. Even if it's just a quick two-second prayer, prayer is the most effective way we can help. Pray for her, for her child, and for guidance in how you can give her the best possible support.
