**Parish Website:** Our new parish website was recently launched. The diocese has required all of the parishes to redesign their websites using the assistance of e-Catholic. They should be easier to access and use. **We are looking for a parishioner to take on the responsibility of “parish webmaster.”** This person would be responsible for maintaining, and implementing occasional changes to the site. Initial training of approximately 30 minutes would be required. Please speak to Father Bill or call the parish office if you are interested or want more information.

**A Note About Cold and Flu Season:**

The sign of Peace has been an integral and valued part of the worship of the church for centuries in the form of a kiss of peace or handshake. As we enter this cold and flu season, it is important to recognize that some people are especially susceptible to the viruses that can be spread by contact and that some immune systems are very sensitive. Please understand that some people may choose not to shake hands during the Sign of Peace, but might simply greet you with a smile. Also, please use common sense and good judgment concerning Mass attendance if you are ill. If you do decide to come to church for Mass, please remember that frequent and thorough hand-washing, refraining from physical contact during the Sign of Peace, and refraining from receiving communion from the Chalice can help prevent the spread of germs.

**Word of Life**

õIf someone shared with you she was pregnant and hadn't ruled out having an abortion, would you know how to respond? í When a woman is facing a difficult pregnancy, the reaction of the first person she tells tends to set the tone for her decision-making. How do we respond to our friend in a loving way that is life-affirming for both her and her baby?ö Consider the four steps of the L.O.V.E. Approach: Listen and Learn, Open Options, Vision and Value, and Extend and Empower.

**Energy Needs Collection:** On the weekend of February 1 - 2, we are having our second **Energy Needs Collection** for the fiscal year. Each year the expense for fuel and up-keep of the furnaces is one of the largest items in our operating budget. These two annual energy needs collections allow you to help us defray these costs. Your generous donation of \$3,589.00 in September was most welcome. We ask that you make as large a donation as your means allow once again. Please note: If you are not able to give this weekend, your donation will be welcomed at any later date.
