FOR THE DIOCESE OF BURLINGTON

October is

## Domestic Violence Awareness Month

Why is domestic violence shrouded in silence? Family members, friends and neighbors hesitate to interfere when they suspect abuse in the home either out of loyalty to the person being abused or to protect the image of the family. Some argue that by speaking up, they will only make matters worse or if they speak up and report the violence, nothing will happen.

Domestic violence is recognized nationally in October, yet we must all recognize that this abuse is year-round. The consequences of ignoring those we love who are being hurt or are hurting, or those we casually see on our daily walk, lead to damaging social, economic and mental behaviors for both men and women.

Did you know that younger, unmarried women between the ages of 16 to 24 are at the greatest risk for domestic violence? Women are not the only victims; men and children are abused or witness abuse in the home as well.

Children who witness or experience trauma in the home are forever scared by this abuse; some turn to hurting or victimizing others, develop unsafe attachments to become victims or escape the memories with substances such as alcohol or drugs. I am a witness to this trauma — in my own family growing up — with experiences that haunt my siblings after more than 45 years.

Domestic violence is all around us. We must be more watchful to help others and to offer friendship, kindness and prayer. We must support one another, get help for offenders and remember that we are all God's loved children. As we meet others on our walk, be kind, look people in the eye and show God's love in your smile to support and encourage.

Ignoring domestic violence is not of God; we are called to love one another: "As I have loved you, so you should love one another. This is how all will know that you are my disciples, if you have love for one another" (Jn 13:34-35).

BUILDING A VIBRANT CHURCH

### Christ Our Hope: Building A Vibrant Church Campaign

Due to postal delays, the Christ Our Hope campaign mailing should arrive at homes the first week of October. Each household is invited to consider a sacrificial gift over a three year period based on their circumstances. The majority of the funds will support specific parish goals which will be outlined in the materials and the remainder will strengthen our faith formation programs and increase our emergency aid to families in financial crisis. Now more than every our parishes and community need this support. Please also visit the website to watch the campaign video and learn more about how this historic statewide Catholic campaign is vital for the future of our Catholic Church in Vermont: [christourhopevt.org](http://christourhopevt.org)
