

**Ah, winter... the perfect time to take on a new challenge. Like competitive hatchet throwing, kamakaze skiing, or learning a musical instrument.**

\* **We've got you covered on that last one.**

When you're feeling cooped up, nothing brings life to the party like learning one of the most prestigious instruments on the planet – the violin or piano. Discover how our new winter lineup can bring joy and a sense of purpose to adventurers of every age.

- Highly-trained instruction for all levels & ages
- Builds self-esteem & character in a fun way
- Violin, viola, cello & piano training for the visually-impaired
- Guitar instruction
- Morning, afternoon & evening sessions
- Join the academy orchestra
- National & international tours
- Recital & concert opportunities
- Choose between classes & private lessons
- A perfect introduction to the arts, with lifelong rewards
