

Safe & Sacred Training

The Archdiocese of Indianapolis has made it mandatory that all people who work or volunteer in our parishes and schools must complete Safe & Sacred Training and a background check every 5 years. This may seem like overkill for some, but it is all in the best interest of our communities and for protecting our children. If you wish to enter into the school building to volunteer in the school, volunteer as a coach, or even to attend your child (s) field trip you must have current Safe & Sacred and a current background check in place.

If you know that you have NOT completed the Archdiocese Safe & Sacred program or had a background check in the last five years, you can begin the process at <https://safeandsacred-archindy.org>. You will also find a link to this page by going to our website www.brookvilleparishes.com. You will find a tab at the top of the page labeled "Safe & Sacred Training." If you click on that tab and enter into that page you will find a link to the training webpage. If you have questions, please contact Carla Hertel at stmichael@etczone.com

I thank you for your support and doing your part to make our parish a safer environment for God's children.
