## *Mr. Meyer's Message*

Congratulations to the 5th grade girls basketball team, they beat Laurel Wednesday night by one point to win the county championship! The girls played a complete game from start to finish, never giving up. The game ended with Naomi Seals getting fouled with 1.1 seconds left in the game and St. Michael trailing by one point. Naomi stepped up to the free throw line and made both free throws to give the Trojans a one point lead and the eventual win! The awesome effort of all

of the girls during the game capped off a great season! Thanks to all of the family members and fans that came out and supported the girls for the game and all season, great job girls and coaches!

Congratulations to Olivia Bennett for being chosen as the 8th grade February student of the month by all of the teachers. Olivia showed good behavior, holiness, leadership, kindness, and overall great character. As a reward she received a certificate, a week long pass to be out of uniform, and a St. Michael School sweatshirt. Olivia is the daughter of Stacy and Michael Bennett. Olivia played volleyball for St. Michael and plays softball for the middle school team. Olivia has a G.P.A of 3.6 on her report card and is undecided on what she wants to do in the future, but she would love to get a scholarship to play softball somewhere. Great Job Olivia!
