July 29, 2020

St. Michael School Family,

Franklin County Community Schools announced today that they will delay the start of the school year until August 12, 2020. St. Michael School will follow their schedule and move the first student day for ALL students PK-8th grade to August 12, 2020. The summer office hours will continue until the first day of school should you need to drop off any school supplies, medication, or paperwork to the office. Look for more information early next week regarding the digital open house. An updated school calendar will be sent out in the coming days.

Also, per Governor Holcomb, starting July 27th students in grades 3-12 will be required to wear a face mask while at school. You can read [Executive Order 20-37 in its entirety here](#).

Please continue to pray for the safety and well being of the entire St. Michael School family and we look forward to seeing everyone back in school very soon.

Mr. Ashley Meyer, Principal
