June 19, 2020

St. Michael School Families and Community,

I hope everyone is staying safe and healthy, enjoying the beautiful summer weather, and time with family and friends.

The intent of this letter is to inform you that St. Michael School plans to return to in-class instruction on the scheduled first day of the school year; August 5, 2020. Using the guidelines set forth by the Indiana Department of Education, the Archdiocese of Indianapolis and in consultation with the Franklin County Health Department, we will be putting together a re-entry plan for St. Michael School. This will be a working document that will address areas of concern such as classroom procedures and desk arrangement, sanitation procedures, lunch procedures, recess, school Mass, rosary, and extracurricular activities. The plan will also provide the requirements for riding the Franklin County Community School Corporation buses.

The St. Michael School family knows the importance of having the students in the classroom for academic instruction and for the social, emotional, and physical benefits that go along with in-class instruction. Look for more specific details to come regarding the re-entry plan as it becomes finalized and is ready to share. Please continue to pray for the St. Michael School students and parents, teachers, staff, and the entire St. Michael church community.

God Bless and Stay Safe!

Mr. Ashley Meyer, Principal
