Coaches, Players, Spectators:

We have made the decision here at St. Michael to suspend our concession stand. With all of the unknown related to Covid-19, we just want to make sure we can stay as safe as possible. Please make sure each player has their own water bottle, filled prior to arriving at St. Michael School. All water fountains are turned off in the building, and there is ABSOLUTELY no sharing of water bottles. If there are any questions or concerns, please feel free to reach out to me.

Also, we are limiting the spectators to family members. We are also making it mandatory for face coverings to be worn in our building as well as everyone outside of immediate family to maintain 6 feet of social distancing. We appreciate your effort in keeping everyone safe.

Thanks,

Joseph Kolks
