## *Mr. Moeller's Message*

### Second Graders Make Calendar

With the help of their teacher Mrs. Kersey, our second graders made a calendar to raise money for their new playground. They had 50 calendars made and sold them for \$20 a piece raising \$1000. What amazing students and teachers you have at your school!

Mrs. Kersey and the 2nd graders would like to thank Tim Cunningham and the staff at Whitewater Print Solutions for generously printing calendars for their class project.

### Congratulations, Addyson Bischoff!

Addy is our 8th Grade Student of the Month. The student of the month is voted on by our staff. The staff considers behavior, holiness, leadership, kindness, and overall character. Addy is the daughter of Vanessa and Ryan Bischoff. Addy enjoys playing volleyball and basketball, has a current GPA of 4.0 and is interested in attending Notre Dame or Alabama after high school.

Addy received a certificate and a week-long out-of-uniform pass for her accomplishments. Congratulations, Addyson!

The Franklin County School Board met this week to revise their quarantining policy. Since we are mirroring their COVID policy, please see the following changes.

If an individual is a close contact to someone who has tested positive for COVID-19, he/she must quarantine.

1. Face coverings are highly recommended but not required.
2. Close contacts must quarantine 10 days after last exposure, returning on day 11 while monitoring for symptoms; or return on day 8 with a negative PCR test result occurring on day 5 or later while monitoring for symptoms.
3. Definition of a close contact-any individual within 6 feet of an infected person for a total of 15 minutes or more within a 24 hour period.
4. Individuals who are vaccinated are not required to quarantine if asymptomatic.
5. Individuals who have tested positive for COVID 19 within the past 90 days and are asymptomatic are not required to quarantine.

Thank you to the Kolks family for donating cots to the Preschool classes for their rest time. It is very much appreciated!

### **SMS Students Get Compliment**

Our 7th and 8th grade boys basketball team traveled to Connersville to play their Middle School. After the games, the St. Gabriel principal, whose son plays on the Connersville team, made a point to tell me how impressed she was with our students. She said, "I was very impressed with your boys. They were very respectful and represented St. Michael very well."
