## Mr. Moeller's Message

### 5th Grade Performs Abe Lincoln Play

Our 5th graders researched the early life of Abe Lincoln and then used that information to create and perform a play. The play focused on Abe Lincoln's life from boyhood to 16 years old. Students learned that his reading ability kept his dad from signing a false deed. They learned how Lincoln became familiar with President George Washington and how he got his understanding of the law.

When the lesson was over, students were asked "what traits they thought made Abe Lincoln a good president?" The students said "honesty, hard work, and being helpful". The teacher, Miss Kayla Jonas, said, "Hopefully this story of a small town boy doing amazing things in life will help them think of things they can do with their lives!"

1. Face coverings are highly recommended but not required.
2. Close contacts must quarantine 10 days after last exposure, returning on day 11 while monitoring for symptoms; or return on day 8 with a negative PCR test result occurring on day 5 or later while monitoring for symptoms.
3. Definition of a close contact-any individual within 6 feet of an infected person for a total of 15 minutes or more within a 24 hour period.
4. Individuals who are vaccinated are not required to quarantine if asymptomatic.
5. Individuals who have tested positive for COVID 19 within the past 90 days and are asymptomatic are not required to quarantine.
