On September 11, Patriot Day gives all of us time to reflect on the devastating terror attacks that took nearly 3,000 lives. We commemorate those who we lost and give thanks to the brave first responders who put their lives on the line. Take a moment today to consider what we stand for as a nation and how we can work together to make the world a better place for all.

Wednesday, September 15th is an eLearning Day. Students will not have in-person instruction at school.
