**In order to be on the roster for the 2021-2022 school year, we must receive your registration or re-registration and non-refundable registration fee of \$100. This fee is for administrative purposes and is not applied towards tuition.*

In addition to tuition, we ask that each family make a commitment to raise \$500 through fundraising. Although this is not a mandatory commitment, it is essential that everyone participate in our fundraising efforts. Catholic Schools historically have always relied on support through fundraising. Our fundraising goal this year is \$100,000.

We do also ask that you continue to support the school through purchasing gift cards
