Last week I mentioned St. Martin of Tours and our parish mission project for November. His feast day, November 11, is also Veteran's Day and he a patron saint of soldiers and the poor.

Many of our military service veterans are called into serve in humanitarian efforts around the world. This is no less dangerous than fighting an outright war, as there are often times opposing forces who are fighting against them. Missions to Somalia come to mind, as well as, those in Afghanistan and other countries. Our military men and women have not only fought for our freedom, but have fought poverty and oppression around the globe.

On behalf of our parish, I would like to thank all those who have served in every branch of the military. Whether it has been in a conflict zone, or humanitarian effort we appreciate your time and dedication to carrying on the mission of hope. May God continue to bless you, your family, and America.

St. Martin of Tours...pray for us.

THANKSGIVING MISSION PROJECT

REFUGE WELCOME KITS

In honor of Thanksgiving, we will be holding a Refuge Welcome drive. Many refugees come the United States with next to nothing. Help them rebuild their lives by putting together a Welcome Kit. These welcome kits will provide them with the essentials they need to help them begin again with hope and honor. Donations of money will also be collected and directed to the Dioceses to be used for this mission. A designated place in the church will be available during the month of November for you to bring your kit.

~Thank you!
