

Young Adult Ministry

It is the goal of our Faith Formation Committee to offer quality programming for all individuals of our parish. This includes our ministry to young adults which includes single, engaged, newly married, married with young children and single parents. Throughout the year, we encourage these individuals to participate in events already scheduled in the parish to get to know others. By reading the bulletin and our website you will also become aware of other events specific to your age group. If you are interested in assisting us in creating a bible study for young adults, perhaps a sports team or other specialty, please contact the parish office and we will assist you with advertising and reserving space. Also be aware there are two young adult groups in the Cedar Rapids area. One gathers on Saturday nights at St. Patrick Parish. The other operates under the leadership of other young adults like "Theology on Tap."
