

Youth Ministry

Our Faith Formation Committee is currently seeking a full time Youth Minister. We are currently working with volunteers who are offering a variety of activities on Wednesday night, supporting events in the Archdiocese and directing students to events happening in parishes in the Cedar Rapids area. Once a Youth Minister is hired it is our desire to have events offered each week which would include bible studies, open gym, retreat opportunities and faith building events. If you are self-motivated and interested in assisting us by organizing an event or activity, please contact the parish office.
