Alumni News & More
As I reflect back on the past year it can be said that it’s had its share of challenges. But often it’s these challenges that push us to succeed and become better. From finding a new president to figuring out how to rebrand an appeal to staying up to date on our facilities wants and needs. Yes, challenges were all around us. I believe God helped us meet and exceed these challenges – all for the greater good of Xavier High School.

A couple highlights from the past year include the hiring of Xavier’s 2nd President. As we acknowledge and thank outgoing president, Tom Keating, we welcome in new president, Chris McCarville. Chris is an extraordinary individual with true passion for Xavier. We’re excited about Xavier’s future with Chris at the helm.

Late last fall, our Development Director, Mary Harken, came up with the idea for rebranding our Alumni Appeal into Forever Saints Day. With the help of a volunteer sub-committee, this idea turned into a plan which was implemented in April: A one-day livestream marathon at Xavier. It was a huge success and generated over $80,000…in one day!

Throughout the year important maintenance needs were met. These included a new roof for the school and a new parking lot for students/faculty and staff. A big facility project included the installation of new field turf on Saints Field which will benefit the football team, marching band, dance team and soccer teams.

As these challenges come to completion and the weather begins to change we put away our football cleats and put on our dancing shoes as we get excited for another night of Dancing with the Saints. Heidi Brown has done an incredible job in organizing this wildly successful night. Last year’s event raised over $150,000 for Xavier High School’s teachers and staff benefits.

I’m always amazed at the generosity of the Xavier community. Without your support and generous giving, Xavier wouldn’t be able to offer the high level of catholic education it does. Xavier is truly blessed.

With a year of the new president/principal model under our belts, both Xavier boards agree that it has been very successful. The communication between the Foundation Board and School Board has aligned us in a way to better identify and meet the challenges Xavier faces. The president and principal have very distinct and different job descriptions that at their core, instill “total Catholicity” throughout the school.

We also recognize the issues Xavier will be facing in the future. We’ve helped to identify them and we’ll be rolling out our 2030 vision that will help guide us to meet these upcoming needs. The Xavier Foundation Board is active and full of energy, always striving to figure out how to meet today’s challenges while keeping an eye on tomorrow!

On behalf of the Xavier Foundation Board, thank you for being so generous!

David Schimberg (R91)
Chair, Xavier Foundation Board
From the President

As Xavier enters its 21st year of existence, we are now at a point in our history where our record speaks for itself. Be it academic excellence, unparalleled extra and co-curricular activities, or certainly, continuing to build God’s Kingdom here on earth, Xavier unmistakably stands out.

How do our students perform academically? Xavier’s average ACT score is 23.9, with 91 percent of our seniors taking the exam. 60 percent of our juniors and seniors are enrolled in AP level courses. In addition to AP courses, our students have the opportunity to dual enroll and earn credits at St. Louis University, the University of Iowa and Kirkwood Community College. We are proud of the reputation Xavier has earned over the years as one of Iowa’s top academic schools.

It’s hard to get “lost in the cracks” at Xavier. 98 percent of our students are involved in a co-curricular activity and all of our students perform community service each year. Our Performing and Visual Arts are Division I caliber. And since opening in 1998, Xavier has averaged nearly two athletic championships each year. The expectation at Xavier is to be involved and contribute. We want our students to experience the livelihood and tradition of excellence we’ve developed over the years.

But perhaps what I’m most proud of as president is Xavier stands for Jesus. We are the only high school in the Cedar Rapids metro area centered around Christ. There is no other high school in the area which has Jesus as the core of everything it does. In a world which increasingly needs more of Jesus’ presence, Xavier provides that atmosphere. Teenagers today are bombarded with messages contrary to Christ. We are proud to be steadfast in our mission to develop the total person in a Catholic environment.

As a 1997 graduate of Regis High School, and former theology teacher at Xavier, I’ve enjoyed seeing our school blossom into one of Iowa’s best. The message I’ve continually delivered since starting my position this past July is simple; “Be the absolute best.” This is the reputation we’ve earned dating back to 1998. I look forward to Xavier becoming even stronger as we continue to fine-tune our “Vision 2030” 10-Year Plan.

Thank you for your support in helping to provide this amazing experience to our students. Current parents, former parents, alumni and countless benefactors sacrifice so much to give our students the best possible high school experience. Your continual generosity does not go unnoticed and we are most appreciative.

May God continue to bless you and Xavier High School. Go Saints!

On August 30th, the Xavier community celebrated the official unveiling of the much-anticipated resurfaced Saints Field as Xavier Football defeated Iowa City Regina by a score of 35-0. This project was made possible through the generosity of multiple generous donors. Beyond the obvious visual appeal, the new field offers a multitude of benefits to Xavier athletic, fine arts and fitness & wellness programs in addition to an annual savings on maintenance costs. Ground was broken on May 6th and, despite a wet spring, the project was completed in time for the 2019-2020 school year.

**Passion & Resources:**

**A Combination for a Lasting Difference**

Xavier is always looking for ways it can further improve its offerings for current and future students. If there is a student-oriented program you are passionate about and would like to be a part of enhancing or creating at Xavier (or you would like to learn more about the current needs Xavier has), we encourage you to reach out to us! Please contact Chris McCarville, XHS president, at 319-294-6635 or chris.mccarville@xaviersaints.org to find out how you can make a difference.
RESPECT LIFE DISPLAY

October is “Respect Life Month.” This school year, XHS seniors “walked for life” as part of Respect Life activities at Xavier. Each senior was given a set of blue and pink flags to plant in the ground. Each of the 4,000 flags planted represents a life lost daily due to the failure to uphold the sanctity of human dignity (in any condition and at any stage). Each senior was asked to reflect quietly upon the “lives” in his/her hands as they walked silently ... and how he/she can be a “Saint in the world,” serving as a voice for the voiceless and a force for the disenfranchised.

LIGHTING THE NIGHT FOR HOMECOMING!

Xavier celebrated its 2019 Homecoming with a series of festivities including a “glow-in-the-dark” pep rally and traditional bonfire that was lit by our 2019 Homecoming queen Ellie Tanko (X20) and king, Noah Fischels (X20). Members of the dance team, cheer squad, football team and the entire marching band visited Xavier Catholic School elementary and middle schools to help spread the Homecoming spirit to our future Saints.

MARCHING SAINTS EARN SEVENTH-Straight Division I Rating at State

The Xavier Marching Band earned its seventh consecutive Division I rating at the 2019 state band competition with a score of 83.5, a school record for scoring.

The 2019 Marching Saints also established another school record by earning the program’s first outright top finish at a band competition. The Saints placed first at CR Prairie’s “Bands Across the Prairie” event. Congratulations to Xavier band director, Ms. Kelli Swehla, and the Marching Saints on another outstanding (and record-breaking) season!
2018-2019 Annual Report

This Common Thread newsletter also features the Xavier Foundation’s 2018-2019 Annual Report. This report is a listing of supporters who are committed to our mission of developing the total person in a Catholic environment. It serves as a reminder that Xavier is able to fulfill its mission because of the help of generous alumni, parents, grandparents, friends, and parish support.

The Xavier Foundation has taken great care to ensure the accuracy of this report for gifts given between July 1, 2018 and June 30, 2019. If your name was omitted or improperly noted, please accept our apologies. If you notice such an error, please notify us at development@xavierfoundation.org so our records can be corrected. Why We Are Dancing this Year:
Classroom Upgrades
Active Learning Environments

Dancing with the Saints: Season 5 will be raising funds through voting donations on behalf of our dancing stars to upgrade Xavier’s classrooms to “active learning environments.” The Active Learning Classroom design provides the opportunity to increase engagement by creating a space for teachers to adapt instructional strategies. This is the latest example of Xavier’s efforts to best suit the needs of today’s students. One of Xavier’s classroom’s has already been upgraded to showcase the benefits of migrating to more active learning environments. This initial classroom upgrade was made possible through the generosity of a donor.

**Business Appeal 2020:**

**FUELING THE FUTURE**

The Xavier Foundation’s 2020 Business Appeal is coming in February! We are asking businesses to help “fuel the future” of our community by investing in Xavier High School (our goal is $155,000 for this campaign) as a vibrant educational offering for current and prospective families/employees and help prepare our students, many of whom will become future employees and customers themselves of our local businesses.

**Workforce Ready!**

Earlier this school year, numerous area business professionals visited Xavier to conduct mock interviews with our seniors. The professionals took time out of their day to help our Saints gain key job interview experience so they can one day fully share their gifts and talents as professionals themselves out in the world. This experience, implemented by XHS College & Career Coordinator, Cara Joens, is one of many initiatives to help prepare our Saints for success in any post-high school endeavor.

Planned Giving to Xavier High School allows you to share the blessings you have received by investing in the mission of Catholic education and making a smart and generous financial decision. It comes in many forms, from cash to securities to other assets, but shares a common attribute: It provides stability and strength to our school today, tomorrow and the future. We invite you to consider adding your home parish church and Xavier Foundation’s Heritage Society as a part of your legacy, because planned giving has a tremendous, lasting impact.

Created in 1991, the Heritage Society recognizes individuals who have included the Xavier Foundation in their estate and deferred giving plans. The Heritage Society is comprised of more than 200 generous donors who are dedicated to the development of a permanent endowment fund for Xavier High School. Members of the Heritage Society have provided planned/deferred gifts through bequests, charitable trusts, charitable gift annuities, IRA distribution funds, real estate and life insurance. These seeds are planted with love and the hope to see their gifts grow over time to ensure that we have a strong that Catholic education is available for generations to come.

Whether Xavier benefits from your planned giving or not, we encourage you to have a written plan -- by will, trust or other mechanism -- to pass along the assets that you built over a lifetime and ensure that you control how those assets are passed down. Please reach out to Mary Harken at mharken@xavierfoundation.org if you have an interest in learning more about the Heritage Society or planned giving to Xavier Foundation. In all cases we ask that you consult with your own legal, tax and/or financial adviser as you begin to finalize your giving plans.

Forever Saints Day represents a new spin on our traditional Alumni Appeal. It is a day which celebrates who we are and where we come from as a Catholic school community. With our first ever Forever Saints Day last April, we surpassed our 24-hour goal to garner 500 donations to support Xavier High School. The effort raised more than $85,000, which translates to more than a 48 percent increase in giving over 2018’s Alumni Appeal.

We are looking to build on the momentum from our first Forever Saints Day in 2020! Be on the lookout for more information and ways you can get involved as we get closer to spring!

XHS alumna, Sr. Louis Marie Zogg (X05), and sisters from the Dominican Sisters of Mary, Mother of the Eucharist, who attended September’s Lions vs. Chargers NFL game in Detroit received a surprise visit. Upon seeing the sisters in the front row, Chargers’ QB (and devout Catholic), Philip Rivers, ran over to visit with them briefly during pregame warm-ups. The moment was shared by the Chargers and ESPN on social media.

Xavier Athletics closed the 2018-2019 year with a grand finale. The Saints captures state championships in girls soccer, boys & girls tennis and baseball. Coupled with the 2018 Class 3A state championship in football, Xavier earned a total of five IHSAA/IGHSAU team championships, the second-most successful year in school history (seven championships were won in 2006-2007).

**Girls Soccer: 2019 Class 2A Champions**

**Boys Tennis: 2019 Class 1A Champions**
The Xavier Boys tennis team downed a good Pella squad in a highly contested championship match. The Saints outlasted the Dutch by a score of 5-4 to capture the program’s second title (2017). The Saints were coached by Jim Potts.

**Girls Tennis: 2019 Class 1A Champions**
The Xavier Girls Tennis team captured its first state championship in program history by knocking off perennial power Waterloo Columbus by a score of 5-2 to win the Class 1A title. The Saints were coached by XHS alumni Matt Foxhoven (X06) and Elizabeth (Hoffmann) Wright (X10).

**Baseball: 2019 Class 3A Champions**
Lead by head coach, Dan Halter (X02), the Saints won their second championship in program history (2006). Xavier Baseball defeated Centrail DeWitt by a score of 8-1 to take the Class 3A crown and complete a 41-2 2019 season.

Q&A with President McCarville

What is your favorite memory growing up in our Catholic school community?
I have very fond memories of Sister Pat Siepkner as principal at St. Pius X all nine years I attended school there. I can also remember when the Sisters of Mercy still had a strong presence and taught at Regis (Sister Carmelita was a cherished family friend of ours!). I remember having a powerful TEC retreat experience when I was a senior at Regis. Being surrounded in a community of faith, every single day (K-12), absolutely had an impact on who I am today. The greatest gift my parents ever gave me was that of a Catholic education. My wife and I want that same experience for our children. We believe the sacrifices made by families to send their children to Catholic schools are worth every penny.

What is your favorite memory as a teacher/coach at Xavier in the 2000’s?
Watching the school grow and find its identity was a lot of fun to be part of and a unique experience. As a theology teacher, one of my favorite memories was when Benedict XVI was elected pope. I remember putting on pause my usual lesson plans for about two weeks and instead we dissected the process of how someone becomes pope. But most of all, I remember how excited my students genuinely were when we watched the white smoke come out of Rome on TV. It was really cool to observe. As a coach, being part of the coaching staff that won the 4A football championship as a 3A-size school was something I’ll never forget. It was something that had never been done before and (because of the playoff structure today) will never be done again. It was a magical season. I swear I ran with David Drahazol the entire way to the endzone on the sidelines of the UNI Dome when the Immaculate Recovery occurred in the semifinals!

Now that you have been in the role of president for several months, what are your initial impressions?
I’ve said many times recently, “In some ways, nothing has changed. In some ways, a lot has changed.” For me, I’ve really enjoyed re-engaging with our students. We have the opportunity and freedom every day to help lead 636 students closer to Heaven. Being a rather new father myself, that thought especially hits home today probably more than it did when I taught here. That’s a powerful thought. I think I appreciate what Xavier gives our students more today in terms of developing faith.

What is the most important thing you would like the Xavier community to know about your role as president?
I want the community to know what I do! This being a relatively new position, I feel like there are still a lot of questions out there. My position focuses on three main areas: enrollment management, developing support for our school and Catholicity. Catholic schools across the country I feel are really at a “tipping point.” Unless schools choose to have strategized approaches to how those areas will grow over time, they won’t be successful. Catholic schools in the year 2019 are very different than what they were even back in 1998 when Xavier opened. This position is necessary and I’m glad the Board of Education and Xavier Foundation created it two years ago.

What was your primary reason for deciding to “come home” to serve in this role?
Two reasons. Selfishly, I desired to have our family grow together with Xavier in the middle of everything we do. With my dad serving as principal of Regis for 10 years, I got to “grow up” with Regis at the center of everything we did. I want that same experience for our family. Secondly, because of the experience I had growing up and also my previous professional experience, I felt I had unique gifts I could bring to Xavier. Those two things mixed together led to an unmistakable calling I felt to be here. And coming here definitely wasn’t on our radar screen. My wife Erica deserves a lot of credit for taking a leap of faith for us to move here and me take on this role. There is no doubt in my mind God led us to Cedar Rapids and the Xavier community.

What excites you the most about leading Xavier?
The thought of having Xavier be the absolute best high school in Iowa. I look forward to developing the metrics by which that will be judged. At the end of my time at Xavier, I want us to be known statewide unequivocally the absolute best in everything we do.

DONOR RECEPTION 2019

On August 8th, the Xavier Foundation honored its various giving societies at its annual donor appreciation reception. Archbishop Jackels shared poignant words regarding the importance of Catholic schools, Zach Gignac (X09) entertained guests with his musical talent, and XHS art teacher, Jason Rittemiller, crafted a clay sculpture which incorporated the fingerprints of supporters who joined us last night (the evening’s theme revolved around author Judy Blume’s quote, “our fingerprints don’t fade from the lives we touch.”).

The evening concluded with a powerful and inspiring witness by XHS parent/supporter, Kathy Moeder, and her daughter XHS sophomore, Mary Kate. The two discussed how the Xavier community has come together to help their family as Kathy’s husband, Tony, battles frontotemporal dementia, a devastating disease.

Thank you to all who joined us for this outstanding evening!
