### SAFE ENVIRONMENT PROGRAM - ADULT TRAINING (VIRTUS) EFFECTIVE IMMEDIATELY

In light of the current health conditions, one prudent and preventative measure we are taking is to make the VIRTUS Protecting God's Children for Adults training available Online as an option. Effective immediately, due to COVID-19, the Archdiocesan requirement for attending a VIRTUS Protecting God's Children for Adults workshop live session will be suspended and the option of the online version of the module can be offered in lieu of live training. This is a temporary safety precaution, and parishes may still offer the live training session available as an option if they prefer as long as the local county and state ordinances in effect at the time of the event are followed. Please note, the training must still be completed prior to participants working around youth, but the requirement may now temporarily be met by completing the online Protecting God's Children module. Individuals needing to attend a session will be offered the option of the online module at the time of registration. They will still need to follow the background screening and policy completion process at the time of registration. Individuals who are already currently registered for an upcoming live session, may log back into their account and change to the online module. These procedures will be reviewed and updated periodically as needed and are in place to protect you, those you work with, and your family. Please stay safe and healthy and continue to pray for all our brothers and sisters in Christ! We are praying for all of you and your families. If you have questions, please contact Sandy Vielhauer at [svielhauer@archkck.org](mailto:svielhauer@archkck.org) or Jenifer Valenti at [jvalenti@archkck.org](mailto:jvalenti@archkck.org). May God bless you and keep you safe.

**THE 2020 PRIMARY ELECTION & THE "VALUE THEM BOTH" AMENDMENT** Voting has begun for many primary elections in Kansas. As Catholics, we are called not simply to vote, but to be well informed voters who in casting our ballots apply the moral principles and priorities of our Faith. The Catholic Bishops have once again identified the protection of the unborn as the pre-eminent moral priority. Archbishop Naumann states, "The Value Them Both Constitutional Amendment needs to be adopted by the citizens of Kansas. We need elected officials who will take action to defend the innocent life of the unborn and their mothers." To see Archbishop's full statement and to learn more about the "Value Them Both" Amendment, please visit [www.archkck.org/prolife](http://www.archkck.org/prolife).
