# Show Pope Francis the Catholic Church in America!

Pope Francis is coming to America for the first time in September. Since Catholic Extension has been supporting the Catholic Church in America for 110 years, we want you to help us show him the face of American Catholicism.

**Take a photo with this cutout of Pope Francis and post it on Twitter or Instagram with the hashtag #FlatFrancis.**

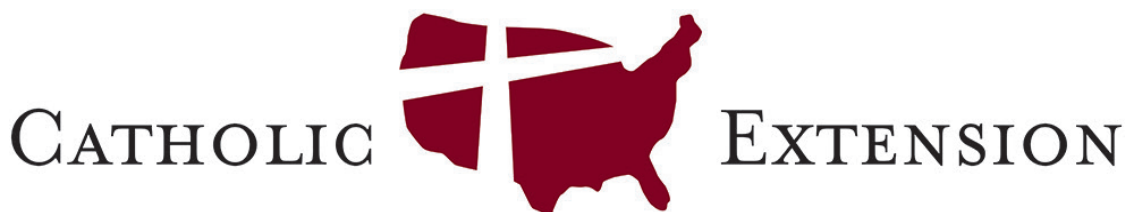

Not on social media? No problem! Send your photo to [socialmedia@catholicextension.org](mailto:socialmedia@catholicextension.org).

Anyone can participate! We want to see selfies, families, youth groups, campus ministries, church ministries, choirs, service projects—just share your experience of the Catholic Church! We will post the photos on our website and social media channels and we will also send a collage of all the photos to Pope Francis.

Be creative and share #FlatFrancis with your church and on your own social networks. Let's show Pope Francis how excited we are for his arrival in America!
