

# LaSalle Catholic School Scrip Information

## What is Scrip?

Scrip is a Gift Card fundraising program which raises money for our school and provides a credit to your student's tuition for the following school year!

## How it works

LaSalle Catholic School purchases Scrip at a discounted rate, then you buy from LaSalle at face value. Each Retailer donates a different percentage. 50% of that percentage is given back to the family for a tuition credit. For example: If a family purchases \$100 to Old Navy, \$7 would go towards the school and \$7 would be given as a tuition credit to the family as they give a 14% profit.

## What you get

The money earned is shared between the school and you. The more Scrip you buy, the more is given to our school and credited towards your tuition. Your family and friends can also purchase Scrip and designate your family for the credit earned from Scrip purchases. If no family is designated the full profit will go to LaSalle Catholic School.

**Please consider purchasing Scrip for all your daily needs such as groceries, gas, and home supplies. Planning a family trip? Scrip is even available for many Hotels, Airbnb, Flights and even Disney!**
