Student Assessment

La Salle Catholic School's goal for our state required comprehensive school improvement plan stated: "By the year 2021, 85% of students in grades 2 through 6 will be at or above the benchmark level on the FAST CBMreading (CBMR)." We continue to work on the goal.

The Measures of Academic Progress or MAP tests are norm-referenced assessments La Salle Catholic School students in kindergarten through grade 6 take three times during the school year.

Standardized tests, such as the Iowa Statewide Assessment of Student Progress, provide a snapshot of a student's performance on a specific test on a certain day. These tests are taken once per year and 100% of La Salle students in grades 3-6 take the ISASP. Standardized tests, alone, present an incomplete picture. It is useful to consider these tests along with other assessments to gain a more complete picture of a student's learning.

2020-21 Community Service

- Partnered with Catholic Order of Foresters to make Christmas baskets and gifts for seniors in the La Salle Pastorate
- Fruit baskets and gifts for monks at New Melleray Abbey
- Clean-up around school grounds, hosta beds, and other plantings around school
- Clean-up of Holy Cross Cemetery
- Clean-up along streets of Holy Cross
- Cards and letters to nursing home residents, Sisters at Mt. St. Francis, retired priests, and pastorate shut-ins
- Collected and donated 240 pounds of aluminum pull tabs to Ronald McDonald House in Iowa City
